Trace the Alphabet: P

1 2

A large uppercase letter 'P' is shown on a set of three horizontal lines (top red, middle blue, bottom red). A green dot at the top left of the letter is labeled '1'. A red arrow points down from this dot to the bottom red line. A second green dot at the top right of the letter is labeled '2'. A red arrow points from this dot, curves to the left, and then down to the bottom red line, following the shape of the letter.

This section contains multiple rows of handwriting practice lines (red top and bottom lines, blue middle line). The first five rows each contain six dashed number '9's for tracing. The first '9' in the first row has a red arrow indicating the starting point and direction of the stroke. The sixth row contains six green dots on the blue middle line, intended for independent practice. The seventh row contains six green dots on the red top line, also for independent practice.
